CRYSTAL CAVERNS

Company: Hayden Book Co.

Suggested Retail: \$34.95

Type: All-text adventure.

Description:

You become Apple Caverns Estate Landlord after finding sixteen treasures in and below an old Victorian Mansion. Lots of imaginatively written, highly descriptive text, and several very well done puzzles enhance this game. Also, you must find many objects to figure out which ones to carry where, and which ones to use on what!

Playability:

You have to work hard at getting killed, a welcome change in adventures; but if you insist, try jumping up and down on the rickety bridge! You make the three save-game positions to the program disk. Three are just about right for this game, which is, all in all, rather interesting.
